(d) For the purposes of division (D) of section 718.14 of the Revised Code, a municipal corporation shall be deemed to have elected to tax S corporation shareholders' distributive shares of net profits of the S corporation in the hands of the shareholders if a majority of the electors of a municipal corporation vote in favor of a question at an election held under division (H)(9)(b) or (c) of this section. The municipal corporation shall specify by ordinance or rule that the tax applies to the distributive share of a shareholder

(12) Compensation paid to a person for personal services performed for a political subdivision on property owned by the political subdivision, regardless of whether the compensation is received by an employee of the subdivision or another person performing services for the subdivision under a contract with the subdivision, if the property on which services are performed is annexed to a municipal corporation pursuant to section 709.023 of the Revised Code on or after March 27, 2013, unless the person is subject to such taxation because of residence or domicile. (K)

(2) Nothing in this chapter requires a municipal corporation to allow a net operating loss carryforward.

718.01 [Operative 1/1/2016] Definitions.

Any term used in this chapter that is not otherwise defined in this chapter has the same meaning as when used in a comparable context in laws of the United States relating to federal income taxation or in Title LVII of the Revised Code, unless a different meaning is clearly required. If a term used in this chapter that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall control over the use of the term in Title LVII of the Revised Code.

As used in this chapter:

(A)

(1) "Municipal taxable income" means the following:

(a) For a person other than an individual, income reduced by exempt income to the extent otherwise included in income and then, as applicable, apportioned or situated to the municipal corporation under section [718.02](#) of the Revised Code, and further reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation.

(b)

(i) For an individual who is a resident of a municipal corporation other than a qualified municipal corporation, income reduced by exempt income to the extent otherwise included in income, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss

carryforward available to the individual for the municipal corporation.

(ii) For an individual who is a resident of a qualified municipal corporation, Ohio adjusted gross income reduced by income exempted, and increased by deductions excluded, by the qualified municipal corporation from the qualified municipal corporation's tax on or before December 31, 2013. If a qualified municipal corporation, on or before December 31, 2013, exempts income earned by individuals who are not residents of the qualified municipal corporation and net profit of persons that are not wholly located within the qualified municipal corporation, such individual or person shall have no municipal taxable income for the purposes of the tax levied by the qualified municipal corporation and may be exempted by the qualified municipal corporation from the requirements of section [718.03](#) of the Revised Code.

(c) For an individual who is a nonresident of a municipal corporation, income reduced by exempt income to the extent otherwise included in income and then, as applicable, apportioned or situated to the municipal corporation under section [718.02](#) of the Revised Code, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(2) In computing the municipal taxable income of a taxpayer who is an individual, the taxpayer may subtract, as provided in division (A)(1)(b)(i) or (c) of this section, the amount of the individual's employee business expenses reported on the individual's form 2106 that the individual deducted for federal income tax purposes for the taxable year, subject to the limitation imposed by section 67 of the Internal Revenue Code. For the municipal corporation in which the taxpayer is a resident, the taxpayer may deduct all such expenses allowed for federal income tax purposes. For a municipal corporation in which the taxpayer is not a resident, the taxpayer may deduct such expenses only to the extent the expenses are related to the taxpayer's performance of personal services in that nonresident municipal corporation.

(B) "Income" means the following:

(1)

(a) For residents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the resident, including the resident's distributive share of the net profit of pass-through entities owned directly or indirectly by the resident and any net profit of the resident.

(b) For the purposes of division (B)(1)(a) of this section:

(i) Any net operating loss of the resident incurred in the taxable year and the resident's distributive share of any net operating loss generated in the same taxable year and attributable to the resident's ownership interest in a pass-through entity shall be allowed as a deduction, for that taxable year and the following five taxable years, against any other net profit of the resident or the resident's distributive share of any net profit attributable to the resident's ownership interest in a pass-through entity until fully utilized, subject to division (B)(1)(d) of this section;

(ii) The resident's distributive share of the net profit of each pass-through entity owned directly or indirectly by the resident shall be calculated without regard to any net operating loss that is carried forward by that entity from a prior taxable year and applied to reduce the entity's net profit for the current taxable year.

(c) Division (B)(1)(b) of this section does not apply with respect to any net profit or net operating loss attributable to an ownership interest in an S corporation unless shareholders' distributive shares of net

profits from S corporations are subject to tax in the municipal corporation as provided in division (C)(14) (b) or (c) of this section.

(d) Any amount of a net operating loss used to reduce a taxpayer's net profit for a taxable year shall reduce the amount of net operating loss that may be carried forward to any subsequent year for use by that taxpayer. In no event shall the cumulative deductions for all taxable years with respect to a taxpayer's net operating loss exceed the original amount of that net operating loss available to that taxpayer.

(2) In the case of nonresidents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the nonresident for work done, services performed or rendered, or activities conducted in the municipal corporation, including any net profit of the nonresident, but excluding the nonresident's distributive share of the net profit or loss of only pass-through entities owned directly or indirectly by the nonresident.

(3) For taxpayers that are not individuals, net profit of the taxpayer;

(4) Lottery, sweepstakes, gambling and sports winnings, winnings from games of chance, and prizes and awards. If the taxpayer is a professional gambler for federal income tax purposes, the taxpayer may deduct related wagering losses and expenses to the extent authorized under the Internal Revenue Code and claimed against such winnings.

(C) "Exempt income" means all of the following:

(1) The military pay or allowances of members of the armed forces of the United States or members of their reserve components, including the national guard of any state;

(2)

(a) Except as provided in division (C)(2)(b) of this section, intangible income;

(b) A municipal corporation that taxed any type of intangible income on March 29, 1988, pursuant to Section 3 of S.B. 238 of the 116th general assembly, may continue to tax that type of income if a majority of the electors of the municipal corporation voting on the question of whether to permit the taxation of that type of intangible income after 1988 voted in favor thereof at an election held on November 8, 1988.

(3) Social security benefits, railroad retirement benefits, unemployment compensation, pensions, retirement benefit payments, payments from annuities, and similar payments made to an employee or to the beneficiary of an employee under a retirement program or plan, disability payments received from private industry or local, state, or federal governments or from charitable, religious or educational organizations, and the proceeds of sickness, accident, or liability insurance policies. As used in division (C) (3) of this section, "unemployment compensation" does not include supplemental unemployment compensation described in section 3402(o)(2) of the Internal Revenue Code.

(4) The income of religious, fraternal, charitable, scientific, literary, or educational institutions to the extent such income is derived from tax-exempt real estate, tax-exempt tangible or intangible property, or tax-exempt activities.

(5) Compensation paid under section [3501.28](#) or [3501.36](#) of the Revised Code to a person serving as a precinct election official to the extent that such compensation does not exceed one thousand dollars for the taxable year. Such compensation in excess of one thousand dollars for the taxable year may be subject to taxation by a municipal corporation. A municipal corporation shall not require the payer of such

compensation to withhold any tax from that compensation.

(6) Dues, contributions, and similar payments received by charitable, religious, educational, or literary organizations or labor unions, lodges, and similar organizations;

(7) Alimony and child support received;

(8) Compensation for personal injuries or for damages to property from insurance proceeds or otherwise, excluding compensation paid for lost salaries or wages or compensation from punitive damages;

(9) Income of a public utility when that public utility is subject to the tax levied under section [5727.24](#) or [5727.30](#) of the Revised Code. Division (C)(9) of this section does not apply for purposes of Chapter 5745. of the Revised Code.

(10) Gains from involuntary conversions, interest on federal obligations, items of income subject to a tax levied by the state and that a municipal corporation is specifically prohibited by law from taxing, and income of a decedent's estate during the period of administration except such income from the operation of a trade or business;

(11) Compensation or allowances excluded from federal gross income under section 107 of the Internal Revenue Code;

(12) Employee compensation that is not qualifying wages as defined in division (R) of this section;

(13) Compensation paid to a person employed within the boundaries of a United States air force base under the jurisdiction of the United States air force that is used for the housing of members of the United States air force and is a center for air force operations, unless the person is subject to taxation because of residence or domicile. If the compensation is subject to taxation because of residence or domicile, tax on such income shall be payable only to the municipal corporation of residence or domicile.

(14)

(a) Except as provided in division (C)(14)(b) or (c) of this section, an S corporation shareholder's distributive share of net profits of the S corporation, other than any part of the distributive share of net profits that represents wages as defined in section 3121(a) of the Internal Revenue Code or net earnings from self-employment as defined in section 1402(a) of the Internal Revenue Code.

(b) If, pursuant to division (H) of former section [718.01](#) of the Revised Code as it existed before March 11, 2004, a majority of the electors of a municipal corporation voted in favor of the question at an election held on November 4, 2003, the municipal corporation may continue after 2002 to tax an S corporation shareholder's distributive share of net profits of an S corporation.

(c) If, on December 6, 2002, a municipal corporation was imposing, assessing, and collecting a tax on an S corporation shareholder's distributive share of net profits of the S corporation to the extent the distributive share would be allocated or apportioned to this state under divisions (B)(1) and (2) of section [5733.05](#) of the Revised Code if the S corporation were a corporation subject to taxes imposed under Chapter 5733. of the Revised Code, the municipal corporation may continue to impose the tax on such distributive shares to the extent such shares would be so allocated or apportioned to this state only until December 31, 2004, unless a majority of the electors of the municipal corporation voting on the question of continuing to tax such shares after that date voted in favor of that question at an election held November 2, 2004. If a majority of those electors voted in favor of the question, the municipal corporation may continue after December 31, 2004, to impose the tax on such distributive shares only to the extent

such shares would be so allocated or apportioned to this state.

(d) A municipal corporation shall be deemed to have elected to tax S corporation shareholders' distributive shares of net profits of the S corporation in the hands of the shareholders if a majority of the electors of a municipal corporation voted in favor of a question at an election held under division (C)(14)(b) or (c) of this section. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location, "principal place of work" means the worksite location in this state to which the employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location or worksite location, "principal place of work" means the location in

this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employee's employer.

If there is not a single municipal corporation in which the employee spent the "greatest number of days in a calendar year" performing services for or on behalf of the employer, but instead there are two or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer shall allocate any of the employee's qualifying wages subject to division (B)(1)(a) of this section among those two or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal allocation among such municipal corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee's "principal place of work" with respect to those qualifying wages for the purposes of this section.

For the purposes of this division, the location at which an employee spends a particular day shall be determined in accordance with division (B)(2) of this section, except that "location" shall be substituted for "municipal corporation" wherever "municipal corporation" appears in that division.

(B)

(1) Subject to divisions (C), (E), (F), and (G) of this section, an employer is not required to withhold municipal income tax on qualifying wages paid to an employee for the performance of personal services in a municipal corporation that imposes such a tax if the employee performed such services in the municipal corporation on twenty or fewer days in a calendar year, unless one of the following conditions applies:

For the purposes of this division, "presumed worksite location" means a construction site or other temporary worksite in this state at which the employer provides services that can reasonably be expected by the employer to last more than twenty days in a calendar year. Services can "reasonably be expected by the employer to last more than twenty days" if either of the following applies at the time the services commence:

(i) The nature of the services are such that it will require more than twenty days of actual services to complete the services;

(ii) The agreement between the employer and its customer to perform services at a location requires the employer to perform actual services at the location for more than twenty days.

(c) The employee is a resident of the municipal corporation and has requested that the employer withhold tax from the employee's qualifying wages as provided in section [718.03](#) of the Revised Code.

(d) The employee is a professional athlete, professional entertainer, or public figure, and the qualifying wages are paid for the performance of services in the employee's capacity as a professional athlete, professional entertainer, or public figure.

(2) For the purposes of division (B)(1) of this section, an employee shall be considered to have spent a day performing services in a municipal corporation only if the employee spent more time performing services for or on behalf of the employer in that municipal corporation than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a

particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:

- (a) Traveling to the location at which the employee will first perform services for the employer for the day;
- (b) Traveling from a location at which the employee was performing services for the employer to any other location;
- (c) Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold, assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;
- (d) Transporting or delivering property described in division (B)(2)(c) of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;
- (e) Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.

(C) If the principal place of work of an employee is located in a municipal corporation that imposes an income tax in accordance with this chapter, the exception from withholding requirements described in division (B)(1) of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to the municipal corporation in which the employee's principal place of work is located.

(D)

(1) Except as provided in division (D)(2) of this section, if, during a calendar year, the number of days an employee spends performing personal services in a municipal corporation exceeds the twenty-day threshold described in division (B)(1) of this section, the employer shall withhold and remit tax to that municipal corporation for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in that municipal corporation.

(2) An employer required to begin withholding tax for a municipal corporation under division (D)(1) of this section may elect to withhold tax for that municipal corporation for the first twenty days on which the employer paid qualifying wages to the employee for personal services performed in that municipal corporation.

(3) If an employer makes the election described in division (D)(2) of this section, the taxes withheld and paid by such an employer during those first twenty days to the municipal corporation in which the employee's principal place of work is located are refundable to the employee.

(E) Without regard to the number of days in a calendar year on which an employee performs personal services in any municipal corporation, an employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to the municipal corporation in which the employer's fixed location is located if the employer qualifies as a small employer as defined in section [718.01](#) of the Revised Code.

To determine whether an employer qualifies as a small employer for a taxable year, a tax administrator may require the employer to provide the tax administrator with the employer's federal income tax return for the preceding taxable year.

(F) Divisions (B)(1) and (D) of this section shall not apply to the extent that a tax administrator and an employer enter into an agreement regarding the manner in which the employer shall comply with the requirements of section [718.03](#) of the Revised Code.

(G) In the case of a person performing personal services at a petroleum refinery located in a municipal corporation that imposes a tax on income, an employer is not required to withhold municipal income tax on the qualifying wages of such a person if the person performs those services on twelve or fewer days in a calendar year, unless the principal place of work of the employer is located in another municipal corporation in this state that imposes a tax applying to compensation paid to the person for services performed on those days and the person is not liable to that other municipal corporation for tax on the compensation paid for such services. For the purposes of this division, a petroleum refinery is a facility with a standard industrial classification code facility classification of 2911, petroleum refining.

Notwithstanding division (D) of this section, if, during a calendar year, the number of days an individual performs personal services at a petroleum refinery exceeds twelve, the employer shall withhold tax for the municipal corporation for the first twelve days for which the employer paid qualifying wages to the individual and for all subsequent days in the calendar year on which the individual performed services at the refinery.

(2) An individual may rebut the presumption of domicile described in division (A)(1) of this section if the individual establishes by a preponderance of the evidence that the individual was not domiciled in the municipal corporation for all or part of the taxable year.

718.02 [Operative Until 1/1/2016] Income subject to tax.

This section does not apply to taxpayers that are subject to and required to file reports under Chapter 5745. of the Revised Code.

(A) Except as otherwise provided in division (D) of this section, net profit from a business or profession conducted both within and without the boundaries of a municipal corporation shall be considered as having a taxable situs in such municipal corporation for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real and tangible personal property owned or used by the taxpayer in the business or profession in such municipal corporation during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to persons employed in the business or profession for services performed in such municipal corporation to wages, salaries, and other compensation paid during the same period to persons employed in the business or profession, wherever their services are performed, excluding compensation that is not taxable by the municipal corporation under section [718.011](#) of the Revised Code;

(3) Gross receipts of the business or profession from sales made and services performed during the taxable period in such municipal corporation to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.

If the foregoing apportionment formula does not produce an equitable result, another basis may be substituted, under uniform regulations, so as to produce an equitable result.

(B) As used in division (A) of this section, "sales made in a municipal corporation" mean:

(1) All sales of tangible personal property delivered within such municipal corporation regardless of where title passes if shipped or delivered from a stock of goods within such municipal corporation;

(2) All sales of tangible personal property delivered within such municipal corporation regardless of where title passes even though transported from a point outside such municipal corporation if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion;

(3) All sales of tangible personal property shipped from a place within such municipal corporation to purchasers outside such municipal corporation regardless of where title passes if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(C) Except as otherwise provided in division (D) of this section, net profit from rental activity not constituting a business or profession shall be subject to tax only by the municipal corporation in which the property generating the net profit is located.

(D) This section does not apply to individuals who are residents of the municipal corporation and, except as otherwise provided in section [718.01](#) of the Revised Code, a municipal corporation may impose a tax on all income earned by residents of the municipal corporation to the extent allowed by the United States Constitution.

(E) If, in computing the taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in income any amount or any portion thereof because it is exempted from taxation under division (H)(10) of section [718.01](#) of the Revised Code and division (A)(2)(d) of section [718.03](#) of the Revised Code by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under divisions (A) and (B) of this section.

[718.02 \[Operative 1/1/2016\] Income subject to tax.](#)

This section applies to any taxpayer engaged in a business or profession in a municipal corporation that imposes an income tax in accordance with this chapter, unless the taxpayer is an individual who resides in the municipal corporation or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under Chapter 5745. of the Revised Code.

(A) Except as otherwise provided in division (B) of this section, net profit from a business or profession conducted both within and without the boundaries of a municipal corporation shall be considered as having a taxable situs in the municipal corporation for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the municipal corporation during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the

business or profession for services performed in the municipal corporation to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under section [718.011](#) of the Revised Code;

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the municipal corporation to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.

(B)

(1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in a municipal corporation, the taxpayer may request, or the tax administrator of the municipal corporation may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

(a) Separate accounting;

(b) The exclusion of one or more of the factors;

(c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;

(d) A modification of one or more of the factors.

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the tax administrator denies the request in an assessment issued within the period prescribed by division (A) of section [718.12](#) of the Revised Code.

(3) A tax administrator may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of section [718.12](#) of the Revised Code.

(4) Nothing in division (B) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by a tax administrator or otherwise agreed upon by both the tax administrator and taxpayer before January 1, 2016.

(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(a) The employer;

(b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the tax administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If a tax administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the tax administrator's determination was unreasonable.

(D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:

(1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in a municipal corporation if, regardless of where title passes, the property meets any of the following criteria:

(a) The property is shipped to or delivered within the municipal corporation from a stock of goods located within the municipal corporation.

(b) The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.

(c) The property is shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.

(3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.

(5) Gross receipts from rents and royalties from tangible personal property shall be situated to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.

(E) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides.

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.

(F)

(1) Except as provided in division (F)(2) of this section, commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(2) An individual who is a resident of a municipal corporation that imposes a municipal income tax shall report the individual's net profit from all real estate activity on the individual's annual tax return for that municipal corporation. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such a credit is allowed under the municipal income tax ordinance, or rules of the municipal corporation of residence.

(G) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (C)(12) and (R)(1)(d) of section [718.01](#) of the Revised Code by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under this section.

(H) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

718.021 Refundable credit allowed against income tax imposed by municipal corporation for each qualifying loss sustained by taxpayer.

(A) As used in this section:

(1) "Nonqualified deferred compensation plan" means a compensation plan described in section 3121(v)(2)(C) of the Internal Revenue Code.

(2)

(a) Except as provided in division (A)(2)(b) of this section, "qualifying loss" means the excess, if any, of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan over the total amount of income the taxpayer has recognized for federal income tax purposes for all taxable years on a cumulative basis as compensation with respect to the taxpayer's receipt of money and property attributable to distributions in connection with the nonqualified deferred

compensation plan.

(b) If, for one or more taxable years, the taxpayer has not paid to one or more municipal corporations income tax imposed on the entire amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan, then the "qualifying loss" is the product of the amount resulting from the calculation described in division (A)(2)(a) of this section computed without regard to division (A)(2)(b) of this section and a fraction the numerator of which is the portion of such compensation on which the taxpayer has paid income tax to one or more municipal corporations and the denominator of which is the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.

(c) With respect to a nonqualified deferred compensation plan, the taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan.

(3) "Qualifying tax rate" means the applicable tax rate for the taxable year for the which the taxpayer paid income tax to a municipal corporation with respect to any portion of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan. If different tax rates applied for different taxable years, then the "qualifying tax rate" is a weighted average of those different tax rates. The weighted average shall be based upon the tax paid to the municipal corporation each year with respect to the nonqualified deferred compensation plan.

(B)

(1) Except as provided in division (D) of this section, a refundable credit shall be allowed against the income tax imposed by a municipal corporation for each qualifying loss sustained by a taxpayer during the taxable year. The amount of the credit shall be equal to the product of the qualifying loss and the qualifying tax rate.

(2) A taxpayer shall claim the credit allowed under this section from each municipal corporation to which the taxpayer paid municipal income tax with respect to the nonqualified deferred compensation plan in one or more taxable years.

(3) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.

(4) In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to a municipal corporation for all taxable years with respect to the nonqualified deferred compensation plan.

(C)

(1) For purposes of this section, municipal corporation income tax that has been withheld with respect to a nonqualified deferred compensation plan shall be considered to have been paid by the taxpayer with respect to the nonqualified deferred compensation plan.

(2) Any municipal income tax that has been refunded or otherwise credited for the benefit of the taxpayer with respect to a nonqualified deferred compensation plan shall not be considered to have been paid to

the municipal corporation by the taxpayer.

(D) The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to:

- (1) The insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan; or
- (2) The employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation.

(A) As used in this section:

(1) "Other payer" means any person, other than an individual's employer or the employer's agent, that pays an individual any amount included in the federal gross income of the individual.

(2) "Qualifying wages" means wages, as defined in section 3121(a) of the Internal Revenue Code, without regard to any wage limitations, adjusted as follows:

(a) Deduct the following amounts:

(i) Any amount included in wages if the amount constitutes compensation attributable to a plan or program described in section 125 of the Internal Revenue Code;

(ii) For purposes of division (B) of this section, any amount included in wages if the amount constitutes payment on account of sickness or accident disability.

(b) Add the following amounts:

(i) Any amount not included in wages solely because the employee was employed by the employer prior to April 1, 1986;

(ii) Any amount not included in wages because the amount arises from the sale, exchange, or other disposition of a stock option, the exercise of a stock option, or the sale, exchange, or other disposition of stock purchased under a stock option and the municipal corporation has not, by resolution or ordinance, exempted the amount from withholding and tax. Division (A)(2)(b)(ii) of this section applies only to those amounts constituting ordinary income.

(iii) Any amount not included in wages if the amount is an amount described in section 401(k) or 457 of the Internal Revenue Code. Division (A)(2)(b)(iii) of this section applies only to employee contributions and employee deferrals.

(iv) Any amount that is supplemental unemployment compensation benefits described in section 3402(o) (2) of the Internal Revenue Code and not included in wages.

(c) Deduct any amount attributable to a nonqualified deferred compensation plan or program described in section 3121(v)(2)(C) of the Internal Revenue Code if the compensation is included in wages and has, by resolution or ordinance, been exempted from taxation by the municipal corporation.

(d) Deduct any amount included in wages if the amount arises from the sale, exchange, or other

disposition of a stock option, the exercise of a stock option, or the sale, exchange, or other disposition of stock purchased under a stock option and the municipal corporation has, by resolution or ordinance, exempted the amount from withholding and tax.

(B) Except as provided in division (F) of this section, for taxable years beginning after 2003, no municipal corporation shall require any employer or any agent of any employer or any other payer, to withhold tax with respect to any amount other than qualifying wages. Nothing in this section prohibits an employer from withholding tax on a basis greater than qualifying wages.

(C) An employer is not required to make any withholding with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of the corporation with respect to whose stock the option has been issued.

(D)

(1) An employee is not relieved from liability for a tax by the failure of the employer to withhold the tax as required by a municipal corporation or by the employer's exemption from the requirement to withhold the tax.

(2) The failure of an employer to remit to the municipal corporation the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer in connection with the failure to remit the tax withheld.

(E) Compensation deferred before June 26, 2003, is not subject to any municipal corporation income tax or municipal income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.

(F) A municipal corporation may require a casino facility or a casino operator, as defined in Section 6(C)(9) of Article XV, Ohio Constitution, and section [3772.01](#) of the Revised Code, respectively, or a lottery sales agent conducting video lottery terminals on behalf of the state to withhold and remit tax with respect to amounts other than qualifying wages.

718.03 [Operative 1/1/2016] Withholding taxes from qualifying wages.

(A) (

(1) Each employer, agent of an employer, or other payer located or doing business in a municipal corporation that imposes a tax on income in accordance with this chapter shall withhold from each employee an amount equal to the qualifying wages of the employee earned by the employee in the municipal corporation multiplied by the applicable rate of the municipal corporation's income tax, except for qualifying wages for which withholding is not required under section [718.011](#) of the Revised Code or division (D) or (F) of this section. An employer, agent of an employer, or other payer shall deduct and withhold the tax from qualifying wages on the date that the employer, agent, or other payer directly, indirectly, or constructively pays the qualifying wages to, or credits the qualifying wages to the benefit of, the employee.

(2) In addition to withholding the amounts required under division (A)(1) of this section, an employer, agent of an employer, or other payer may also deduct and withhold, on the request of an employee, taxes

for the municipal corporation in which the employee is a resident.

(B)

(1) Except as provided in division (B)(2) of this section, an employer, agent of an employer, or other payer shall remit to the tax administrator of a municipal corporation the greater of the income taxes deducted and withheld or the income taxes required to be deducted and withheld by the employer, agent, or other payer according to the following schedule:

(a) Taxes required to be deducted and withheld shall be remitted monthly to the tax administrator if the total taxes deducted and withheld or required to be deducted and withheld by the employer, agent, or other payer on behalf of the municipal corporation in the preceding calendar year exceeded two thousand three hundred ninety-nine dollars, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the municipal corporation in any month of the preceding calendar quarter exceeded two hundred dollars.

Payment under division (B)(1)(a) of this section shall be made so that the payment is received by the tax administrator not later than fifteen days after the last day of each month.

(b) Any employer, agent of an employer, or other payer not required to make payments under division (B)(1)(a) of this section of taxes required to be deducted and withheld shall make quarterly payments to the tax administrator not later than the fifteenth day of the month following the end of each calendar quarter.

(2) Notwithstanding division (B)(1) of this section, a municipal corporation may require, by resolution, ordinance, or rule, an employer, agent of an employer, or other payer to do any of the following:

(a) Remit taxes deducted and withheld semimonthly to the tax administrator if the total taxes deducted and withheld or required to be deducted and withheld on behalf of the municipal corporation in the preceding calendar year exceeded eleven thousand nine hundred ninety-nine dollars, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the municipal corporation in any month of the preceding calendar year exceeded one thousand dollars. The payment under division (B)(2)(a) of this section shall be made so that the payment is received by the tax administrator not later than one of the following:

(i) If the taxes were deducted and withheld or required to be deducted and withheld during the first fifteen days of a month, the third banking day after the fifteenth day of that month;

(ii) If the taxes were deducted and withheld or required to be deducted and withheld after the fifteenth day of a month and before the first day of the immediately following month, the third banking day after the last day of that month.

(b) Make payment by electronic funds transfer to the tax administrator of all taxes deducted and withheld on behalf of the municipal corporation if the employer, agent of an employer, or other payer is required to make payments electronically for the purpose of paying federal taxes withheld on payments to employees under section 6302 of the Internal Revenue Code, 26 C.F.R. 31.6302-1, or any other federal statute or regulation. The payment of tax by electronic funds transfer under this division does not affect an employer's, agent's, or other payer's obligation to file any return as required under this section.

(C) An employer, agent of an employer, or other payer shall make and file a return showing the amount of tax withheld by the employer, agent, or other payer from the qualifying wages of each employee and remitted to the tax administrator. Unless the tax administrator requires all individual taxpayers to file a tax

return under section [718.05](#) of the Revised Code, a return filed by an employer, agent, or other payer under this division shall be accepted by a tax administrator and municipal corporation as the return required of an employee whose sole income subject to the tax under this chapter is the qualifying wages reported by the employee's employer, agent of an employer, or other payer.

(D) An employer, agent of an employer, or other payer is not required to withhold municipal income tax with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of either the corporation with respect to whose stock the option has been issued or of such corporation's successor entity.

(E)

(1) An employee is not relieved from liability for a tax by the failure of the employer, agent of an employer, or other payer to withhold the tax as required under this chapter or by the employer's, agent's, or other payer's exemption from the requirement to withhold the tax.

(2) The failure of an employer, agent of an employer, or other payer to remit to the municipal corporation the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer, agent, or other payer in connection with the failure to remit the tax withheld.

(F) Compensation deferred before June 26, 2003, is not subject to any municipal corporation income tax or municipal income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.

(G) Each employer, agent of an employer, or other payer required to withhold taxes is liable for the payment of that amount required to be withheld, whether or not such taxes have been withheld, and such amount shall be deemed to be held in trust for the municipal corporation until such time as the withheld amount is remitted to the tax administrator.

(H) On or before the last day of February of each year, an employer shall file a withholding reconciliation return with the tax administrator listing the names, addresses, and social security numbers of all employees from whose qualifying wages tax was withheld or should have been withheld for the municipal corporation during the preceding calendar year, the amount of tax withheld, if any, from each such employee, the total amount of qualifying wages paid to such employee during the preceding calendar year, the name of every other municipal corporation for which tax was withheld or should have been withheld from such employee during the preceding calendar year, any other information required for federal income tax reporting purposes on Internal Revenue Service form W-2 or its equivalent form with respect to such employee, and other information as may be required by the tax administrator.

(I) The officer or the employee of the employer, agent of an employer, or other payer with control or direct supervision of or charged with the responsibility for withholding the tax or filing the reports and making payments as required by this section, shall be personally liable for a failure to file a report or pay the tax due as required by this section. The dissolution of an employer, agent of an employer, or other payer does not discharge the officer's or employee's liability for a failure of the employer, agent of an employer, or other payer to file returns or pay any tax due.

(J) An employer is required to deduct and withhold municipal income tax on tips and gratuities received by the employer's employees and constituting qualifying wages only to the extent that the tips and gratuities are under the employer's control. For the purposes of this division, a tip or gratuity is under the employer's control if the tip or gratuity is paid by the customer to the employer for subsequent remittance to the employee, or if the customer pays the tip or gratuity by credit card, debit card, or other electronic means.

(K) A tax administrator shall consider any tax withheld by an employer at the request of an employee when such tax is not otherwise required to be withheld by this chapter to be tax required to be withheld and remitted for the purposes of this section.

718.031 [Operative 1/1/2016] Withholding by casinos and lottery sales agents.

(A) A municipal corporation shall require a casino facility or a casino operator, as defined in Section 6(C) (9) of Article XV, Ohio Constitution, and section [3772.01](#) of the Revised Code, respectively, or a lottery sales agent conducting video lottery terminals on behalf of the state to withhold and remit municipal income tax with respect to amounts other than qualifying wages as provided in this section.

(B) If a person's winnings at a casino facility are an amount for which reporting to the internal revenue service of the amount is required by section 6041 of the Internal Revenue Code, as amended, the casino operator shall deduct and withhold municipal income tax from the person's winnings at the rate of the tax imposed by the municipal corporation in which the casino facility is located.

(C) Amounts deducted and withheld by a casino operator are held in trust for the benefit of the municipal corporation to which the tax is owed.

(1) On or before the tenth day of each month, the casino operator shall file a return electronically with the tax administrator of the municipal corporation, providing the name, address, and social security number of the person from whose winnings amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the winnings from which each such amount was withheld, the type of casino gaming that resulted in such winnings, and any other information required by the tax administrator. With this return, the casino operator shall remit electronically to the municipal corporation all amounts deducted and withheld during the preceding month.

(2) Annually, on or before the thirty-first day of January, a casino operator shall file an annual return electronically with the tax administrator of the municipal corporation in which the casino facility is located, indicating the total amount deducted and withheld during the preceding calendar year. The casino operator shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

(3) Annually, on or before the thirty-first day of January, a casino operator shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted from the person's winnings during the preceding year. The casino operator shall provide to the tax administrator a copy of each information return issued under this division. The administrator may require that such copies be transmitted electronically.

(4) A casino operator that fails to file a return and remit the amounts deducted and withheld shall be personally liable for the amount withheld and not remitted. Such personal liability extends to any penalty

and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(5) If a casino operator sells the casino facility or otherwise quits the casino business, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor shall withhold an amount of the purchase money that is sufficient to cover the amounts deducted and withheld along with any penalties and interest thereon until the predecessor casino operator produces either of the following:

(a) A receipt from the tax administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(b) A certificate from the tax administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(6) The failure of a casino operator to deduct and withhold the required amount from a person's winnings does not relieve that person from liability for the municipal income tax with respect to those winnings.

(D) If a person's prize award from a video lottery terminal is an amount for which reporting to the internal revenue service is required by section 6041 of the Internal Revenue Code, as amended, the video lottery sales agent shall deduct and withhold municipal income tax from the person's prize award at the rate of the tax imposed by the municipal corporation in which the video lottery terminal facility is located.

(E) Amounts deducted and withheld by a video lottery sales agent are held in trust for the benefit of the municipal corporation to which the tax is owed.

(1) The video lottery sales agent shall issue to a person from whose prize award an amount has been deducted and withheld a receipt for the amount deducted and withheld, and shall obtain from the person receiving a prize award the person's name, address, and social security number in order to facilitate the preparation of returns required by this section.

(2) On or before the tenth day of each month, the video lottery sales agent shall file a return electronically with the tax administrator of the municipal corporation providing the names, addresses, and social security numbers of the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the prize award from which each such amount was withheld, and any other information required by the tax administrator. With the return, the video lottery sales agent shall remit electronically to the tax administrator all amounts deducted and withheld during the preceding month.

(3) A video lottery sales agent shall maintain a record of all receipts issued under division (E) of this section and shall make those records available to the tax administrator upon request. Such records shall be maintained in accordance with section [5747.17](#) of the Revised Code and any rules adopted pursuant thereto.

(4) Annually, on or before the thirty-first day of January, each video lottery terminal sales agent shall file an annual return electronically with the tax administrator of the municipal corporation in which the facility is located indicating the total amount deducted and withheld during the preceding calendar year. The video lottery sales agent shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that

reporting period, that information shall be indicated on the annual return.

(5) Annually, on or before the thirty-first day of January, a video lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted and withheld from the person's prize award by the video lottery sales agent during the preceding year. A video lottery sales agent shall provide to the tax administrator of the municipal corporation a copy of each information return issued under this division. The tax administrator may require that such copies be transmitted electronically.

(6) A video lottery sales agent who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(F) If a video lottery sales agent ceases to operate video lottery terminals, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor of the video lottery sales agent that purchases the video lottery terminals from the agent shall withhold an amount from the purchase money that is sufficient to cover the amounts deducted and withheld and any penalties and interest thereon until the predecessor video lottery sales agent operator produces either of the following:

(1) A receipt from the tax administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(2) A certificate from the tax administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(G) The failure of a video lottery sales agent to deduct and withhold the required amount from a person's prize award does not relieve that person from liability for the municipal income tax with respect to that prize award.

(H) If a casino operator or lottery sales agent files a return late, fails to file a return, remits amounts deducted and withheld late, or fails to remit amounts deducted and withheld as required under this section, the tax administrator of a municipal corporation may impose the following applicable penalty:

(1) For the late remittance of, or failure to remit, tax deducted and withheld under this section, a penalty equal to fifty per cent of the tax deducted and withheld;

(2) For the failure to file, or the late filing of, a monthly or annual return, a penalty of five hundred dollars for each return not filed or filed late. Interest shall accrue on past due amounts deducted and withheld at the rate prescribed in section [5703.47](#) of the Revised Code.

(I) Amounts deducted and withheld on behalf of a municipal corporation shall be allowed as a credit against payment of the tax imposed by the municipal corporation and shall be treated as taxes paid for purposes of section [718.08](#) of the Revised Code. This division applies only to the person for whom the amount is deducted and withheld.

(J) The tax administrator shall prescribe the forms of the receipts and returns required under this section.

718.04 [Operative 1/1/2016] Authority for tax on income and withholding tax.

(A) Notwithstanding division (A) of section [715.013](#) of the Revised Code, a municipal corporation may levy a tax on income and a withholding tax if such taxes are levied in accordance with the provisions and limitations specified in this chapter. On or after January 1, 2016, the ordinance or resolution levying such taxes, as adopted or amended by the legislative authority of the municipal corporation, shall include all of the following:

- (1) A statement that the tax is an annual tax levied on the income of every person residing in or earning or receiving income in the municipal corporation and that the tax shall be measured by municipal taxable income;
- (2) A statement that the municipal corporation is levying the tax in accordance with the limitations specified in this chapter and that the resolution or ordinance thereby incorporates the provisions of this chapter;
- (3) The rate of the tax;
- (4) Whether, and the extent to which, a credit, as described in division (D) of this section, will be allowed against the tax;
- (5) The purpose or purposes of the tax;
- (6) Any other provision necessary for the administration of the tax, provided that the provision does not conflict with any provision of this chapter.

(B) Any municipal corporation that, on or before the effective date of the enactment of this section, levies

an income tax at a rate in excess of one per cent may continue to levy the tax at the rate specified in the original ordinance or resolution, provided that such rate continues in effect as specified in the original ordinance or resolution.

(C)

(1) No municipal corporation shall tax income at other than a uniform rate.

(2) Except as provided in division (B) of this section, no municipal corporation shall levy a tax on income at a rate in excess of one per cent without having obtained the approval of the excess by a majority of the electors of the municipality voting on the question at a general, primary, or special election. The legislative authority of the municipal corporation shall file with the board of elections at least ninety days before the day of the election a copy of the ordinance together with a resolution specifying the date the election is to be held and directing the board of elections to conduct the election. The ballot shall be in the following form: "Shall the Ordinance providing for a ... per cent levy on income for (Brief description of the purpose of the proposed levy) be passed?"

FOR THE INCOME TAX

AGAINST THE INCOME TAX "

In the event of an affirmative vote, the proceeds of the levy may be used only for the specified purpose.

(D) A municipal corporation may, by ordinance or resolution, grant a credit to residents of the municipal corporation for all or a portion of the taxes paid to any municipal corporation, in this state or elsewhere, by the resident or by a pass-through entity owned, directly or indirectly, by a resident, on the resident's distributive or proportionate share of the income of the pass-through entity. A municipal corporation is not required to refund taxes not paid to the municipal corporation.

(E) Except as otherwise provided in this chapter, a municipal corporation that levies an income tax in effect for taxable years beginning before January 1, 2016, may continue to administer and enforce the provisions of such tax for all taxable years beginning before January 1, 2016, provided that the provisions of such tax are consistent with this chapter as it existed prior to the effective date of the enactment of this section.

(F) Nothing in this chapter authorizes a municipal corporation to levy a tax on income, or to administer or collect such a tax or penalties or interest related to such a tax, contrary to the provisions and limitations specified in this chapter. No municipal corporation shall enforce an ordinance or resolution that conflicts with the provisions of this chapter.

718.05 [Operative Until 1/1/2016] Filing date for return.

(A) As used in this section:

(1) "Generic form" means an electronic or paper form designed for reporting estimated municipal income taxes and annual municipal income tax liability or for filing a refund claim that is not prescribed by a particular municipal corporation for the reporting of that municipal corporation's tax on income.

(2) "Return preparer" means any person other than a taxpayer that is authorized by a taxpayer to complete or file an income tax return, report, or other document for or on behalf of the taxpayer.

(B) Except as otherwise provided in division (D) of this section or section [718.051](#) of the Revised Code, a municipal corporation shall not require a taxpayer to file an annual income tax return or report on any date before the filing date for the corresponding tax reporting period as prescribed for such a taxpayer under the Internal Revenue Code.

(C)

(1) On and after January 1, 2001, any municipal corporation that requires taxpayers to file income tax returns, reports, or other documents shall accept for filing a generic form of such a return, report, or document if the generic form, once completed and filed, contains all of the information required to be submitted with the municipal corporation's prescribed returns, reports, or documents, and if the taxpayer or return preparer filing the generic form otherwise complies with rules or ordinances of the municipal corporation governing the filing of returns, reports, or documents.

(2) Any municipal corporation that requires taxpayers to file income tax returns, reports, or other documents requiring the signature of a return preparer shall accept a facsimile of such a signature in lieu of a manual signature.

(3) On any annual municipal income tax return, a box or other space shall be included whereby a taxpayer may elect to authorize a return preparer to communicate with the tax administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that, by making the election, the taxpayer authorizes the tax administrator to contact the return preparer concerning questions that arise during the processing of the return and authorizes the return preparer only to provide the administrator with information that is missing from the return, to contact the administrator for information about the processing of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the administrator and has shown to the return preparer.

(D) Except as otherwise provided in section [718.051](#) of the Revised Code, beginning January 1, 2001, any taxpayer that has requested an extension for filing a federal income tax return may request an extension for the filing of a municipal income tax return. The taxpayer shall make the request by filing a copy of the taxpayer's request for a federal filing extension with the individual or office charged with the administration of the municipal income tax. The request for extension shall be filed not later than the last day for filing the municipal income tax return as prescribed by ordinance or rule of the municipal corporation and division (B) of this section. The extended due date of the municipal income tax return shall be the last day of the

month following the month to which the due date of the federal income tax return has been extended. A municipal corporation may deny a taxpayer's request for extension only if the taxpayer fails to timely file the request, fails to file a copy of the request for the federal extension, owes the municipal corporation any delinquent income tax or any penalty, interest, assessment, or other charge for the late payment or nonpayment of income tax, or has failed to file any required income tax return, report, or other related document for a prior tax period. The granting of an extension for filing a municipal corporation income tax return does not extend the last date for paying the tax without penalty unless the municipal corporation grants an extension of that date.

Repealed by 130th General Assembly File No. TBD, HB 5, §2, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

Effective Date: 09-26-2003; 2007 HB224 03-24-2008

718.05 [Operative 1/1/2016] Annual return; filing.

(A) An annual return with respect to the income tax levied by a municipal corporation shall be completed and filed by every taxpayer for any taxable year for which the taxpayer is liable for the tax. If the total credit allowed against the tax as described in division (D) of section [718.04](#) of the Revised Code for the year is equal to or exceeds the tax imposed by the municipal corporation, no return shall be required unless the municipal ordinance or resolution levying the tax requires the filing of a return in such circumstances.

(B) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(C) If an individual is unable to complete and file a return or notice required by a municipal corporation in accordance with this chapter, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(D) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust.

(E) No municipal corporation shall deny spouses the ability to file a joint return.

(F)

(1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.

(2) A tax administrator may require a taxpayer who is an individual to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040; and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the

tax administrator unless the tax administrator requests such copies after the return has been filed.

(3) A tax administrator may require a taxpayer that is not an individual to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the tax administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate tax administrator.

(4) After a taxpayer files a tax return, the tax administrator may request, and the taxpayer shall provide, any information, statements, or documents required by the municipal corporation to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the tax administrator.

(G)

(1) Except as otherwise provided in this chapter, each return required to be filed under this section shall be completed and filed as required by the tax administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of section [5747.08](#) of the Revised Code. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the municipal corporation or tax administrator. No remittance is required if the amount shown to be due is ten dollars or less.

(2) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates. An extension of time to file under this division is not an extension of the time to pay any tax due unless the tax administrator grants an extension of that date.

(3) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of section [5747.08](#) of the Revised Code, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state income tax return.

(4) If the tax administrator considers it necessary in order to ensure the payment of the tax imposed by the municipal corporation in accordance with this chapter, the tax administrator may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(5) To the extent that any provision in this division conflicts with any provision in section 718.052 of the Revised Code, the provision in that section prevails.

(H)

(1) For taxable years beginning after 2015, a municipal corporation shall not require a taxpayer to remit tax with respect to net profits if the amount due is less than ten dollars.

(2) Any taxpayer not required to remit tax to a municipal corporation for a taxable year pursuant to division (H)(1) of this section shall file with the municipal corporation an annual net profit return under division (F)(3) of this section.

(I) This division shall not apply to payments required to be made under division (B)(1)(a) or (2)(a) of section [718.03](#) of the Revised Code.

(1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that date by United States mail to the tax administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(2) If a payment is required to be made by electronic funds transfer, the payment is considered to be made when the payment is credited to an account designated by the tax administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be made when the taxpayer submitted the payment.

(J) The amounts withheld by an employer, the agent of an employer, or an other payer as described in section [718.03](#) of the Revised Code shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient by the municipal corporation, unless the amounts withheld were not remitted to the municipal corporation and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

(K) Each return required by a municipal corporation to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the tax administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the tax administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the tax administrator with information that is missing from the return, to contact the tax administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the tax administrator and has shown to the preparer or other person.

(L) The tax administrator of a municipal corporation shall accept for filing a generic form of any income tax return, report, or document required by the municipal corporation in accordance with this chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinance, resolution, or rules adopted by the municipal corporation or tax administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of

this chapter and of the municipal corporation ordinance or resolution governing the filing of returns, reports, or documents.

(M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the tax administrator shall accept a facsimile of such a signature in lieu of a manual signature.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.051 [Operative Until 1/1/2016] Effect of business or profession receiving a federal extension to file.

(A) As used in this section, "Ohio business gateway" means the online computer network system, initially created by the department of administrative services under section [125.30](#) of the Revised Code, that allows private businesses to electronically file business reply forms with state agencies and includes any successor electronic filing and payment system.

(B) Notwithstanding section [718.05](#) of the Revised Code, on and after January 1, 2005, any taxpayer that is subject to any municipal corporation's tax on the net profit from a business or profession and has received an extension to file the federal income tax return shall not be required to notify the municipal corporation of the federal extension and shall not be required to file any municipal income tax return until the last day of the month to which the due date for filing the federal return has been extended, provided that, on or before the date for filing the municipal income tax return, the person notifies the tax commissioner of the federal extension through the Ohio business gateway. An extension of time to file is not an extension of the time to pay any tax due.

(C) For taxable years beginning on or after January 1, 2005, a taxpayer subject to any municipal corporation's tax on the net profit from a business or profession may file any municipal income tax return or estimated municipal income return, and may make payment of amounts shown to be due on such returns, by using the Ohio business gateway.

(D)

(1) As used in this division, "qualifying wages" has the same meaning as in section [718.03](#) of the Revised Code.

(2) Any employer may report the amount of municipal income tax withheld from qualifying wages paid on or after January 1, 2007, and may make remittance of such amounts, by using the Ohio business gateway.

(E) Nothing in this section affects the due dates for filing employer withholding tax returns.

(F) No municipal corporation shall be required to pay any fee or charge for the operation or maintenance of the Ohio business gateway.

(G) The use of the Ohio business gateway by municipal corporations, taxpayers, or other persons pursuant to this section does not affect the legal rights of municipalities or taxpayers as otherwise permitted by law. This state shall not be a party to the administration of municipal income taxes or to an appeal of a municipal income tax matter, except as otherwise specifically provided by law.

(A) Each member of the national guard of any state and each member of a reserve component of the armed forces of the United States called to active duty pursuant to an executive order issued by the president of the United States or an act of the congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces, may apply to the tax administrator of a municipal corporation for both an extension of time for filing of the return and an extension of time for payment of taxes required by the municipal corporation in accordance with this chapter during the period of the member's or civilian's duty service and for one hundred eighty days thereafter. The application shall be filed on or before the one hundred eightieth day after the member's or civilian's duty terminates. 718.06 [Operative 1/1/2016] Consolidated municipal income tax return.

(A) As used in this section:

(1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

(2) "Consolidated federal income tax return" means a consolidated return filed for federal income tax purposes pursuant to section 1501 of the Internal Revenue Code.

(3) "Consolidated federal taxable income" means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incumbent local exchange carrier that is excluded from the affiliated group under division (A)(1) of this section.

(4) "Incumbent local exchange carrier" has the same meaning as in section [4927.01](#) of the Revised Code.

(5) "Local exchange telephone service" has the same meaning as in section [5727.01](#) of the Revised Code.

(B)

(1) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to the municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year. The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law. The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division (B)(2) of this section or a taxpayer receives permission from the tax administrator. The tax administrator shall approve such a request for good cause shown.

(2) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division (B)(1) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.

(3) An election made under division (B)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.

(C) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated municipal income tax return for that taxable year if the tax administrator determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to the municipal corporation. A taxpayer that is required to file a consolidated municipal income tax return for a taxable year shall file a consolidated municipal income tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the tax administrator to file a separate return or a taxpayer has experienced a change in circumstances.

(D) A taxpayer shall prepare a consolidated municipal income tax return in the same manner as is required under the United States department of treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

(E)

(1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in section [718.01](#) of the Revised Code, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.

(2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under division (E) of section [718.01](#) of the Revised Code to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of

consolidated federal taxable income.

(3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:

(a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section [718.02](#) of the Revised Code, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(b) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in section [718.02](#) of the Revised Code, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.

(4) If the net profit or loss of a pass-through entity having less than eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:

(a) The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in section [718.02](#) of the Revised Code, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation;

(b) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with this chapter on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(F) Corporations filing a consolidated municipal income tax return shall make the computations required under section [718.02](#) of the Revised Code by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

(G) Each corporation filing a consolidated municipal income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by a municipal corporation in accordance with this chapter on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.

(H) Corporations and their affiliates that made an election or entered into an agreement with a municipal corporation before January 1, 2016, to file a consolidated or combined tax return with such municipal corporation may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after January 1, 2016.

Electronic versions of rules, ordinances, blanks, and instructions shall be made available either by posting them on the electronic site established by the tax commissioner under section [5703.49](#) of the Revised Code or by posting them on an electronic site established by the municipal corporation that is accessible through the internet. If a municipal corporation establishes such an electronic site, the municipal corporation shall incorporate an electronic link between that site and the site established pursuant to section [5703.49](#) of the Revised Code, and shall provide to the tax commissioner the uniform resource locator of the site established pursuant to this division.

(A) As used in this section:

(1) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's tax liability for a municipal corporation's income tax for the current taxable year.

(2) "Tax liability" means the total taxes due to a municipal corporation for the taxable year, after allowing

any credit to which the taxpayer is entitled, and after applying any estimated tax payment, withholding payment, or credit from another taxable year.

(B)

(1) Except as provided in division (F) of this section, every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the tax administrator, if the amount payable as estimated taxes is at least two hundred dollars. For the purposes of this section:

(a) Taxes withheld from qualifying wages shall be considered as paid to the municipal corporation for which the taxes were withheld in equal amounts on each payment date unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld.

(b) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(c) Taxes withheld by a casino operator or by a lottery sales agent under section 718.031 of the Revised Code are deemed to be paid to the municipal corporation for which the taxes were withheld on the date the taxes are withheld from the taxpayer's winnings.

(2) Except as provided in division (F) of this section, taxpayers filing joint returns shall file joint declarations of estimated taxes. A taxpayer may amend a declaration under rules prescribed by the tax administrator. Except as provided in division (F) of this section, a taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the tax administrator.

(3) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under division (G) of section [718.05](#) of the Revised Code or on or before the fifteenth day of the fourth month after the taxpayer becomes subject to tax for the first time.

(4) Taxpayers reporting on a fiscal year basis shall file a declaration on or before the fifteenth day of the fourth month after the beginning of each fiscal year or period.

(5) The original declaration or any subsequent amendment may be increased or decreased on or before any subsequent quarterly payment day as provided in this section.

(C)

(1) The required portion of the tax liability for the taxable year that shall be paid through estimated taxes made payable to the municipal corporation or tax administrator, including the application of tax refunds to estimated taxes and withholding on or before the applicable payment date, shall be as follows:

(a) On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the tax liability for the taxable year;

(b) On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the tax liability for the taxable year;

(c) On or before the fifteenth day of the ninth month after the beginning of the taxable year, sixty-seven

and one-half per cent of the tax liability for the taxable year;

(d) On or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the tax liability for the taxable year.

(2) When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates.

(3) On or before the fifteenth day of the fourth month of the year following that for which the declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due shall be paid with the return in accordance with section [718.05](#) of the Revised Code.

(D)

(1) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to section 718.27 of the Revised Code upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:

(a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(b) For the second payment of estimated taxes each year, forty-five per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(d) For the fourth payment of estimated taxes each year, ninety per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment.

(2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.

(E) An underpayment of any portion of tax liability determined under division (D) of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:

(1) The amount of estimated taxes that were paid equals at least ninety per cent of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.

(2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return with the municipal corporation under section [718.05](#) of the Revised Code for that year.

(F)

(1) A tax administrator may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

(2) A municipal corporation may, by ordinance or rule, waive the requirement for filing a declaration of estimated taxes for all taxpayers.

(A) This section applies to either of the following:

(1) A municipal corporation that shares the same territory as a city, local, or exempted village school district, to the extent that not more than five per cent of the territory of the municipal corporation is located outside the school district and not more than five per cent of the territory of the school district is located outside the municipal corporation;

(2) A municipal corporation that shares the same territory as a city, local, or exempted village school district, to the extent that not more than five per cent of the territory of the municipal corporation is located outside the school district, more than five per cent but not more than ten per cent of the territory of the school district is located outside the municipal corporation, and that portion of the territory of the school district that is located outside the municipal corporation is located entirely within another municipal corporation having a population of four hundred thousand or more according to the federal decennial census most recently completed before the agreement is entered into under division (B) of this section.

(B) The legislative authority of a municipal corporation to which this section applies may propose to the electors an income tax, one of the purposes of which shall be to provide financial assistance to the school district through payment to the district of not less than twenty-five per cent of the revenue generated by the tax, except that the legislative authority may not propose to levy the income tax on the incomes of nonresident individuals. Prior to proposing the tax, the legislative authority shall negotiate and enter into a written agreement with the board of education of the school district specifying the tax rate, the percentage of tax revenue to be paid to the school district, the purpose for which the school district will use the money, the first year the tax will be levied, the date of the special election on the question of the tax, and the method and schedule by which the municipal corporation will make payments to the school district. At least ninety days before the date of the

election, the legislative authority shall file certified copies of the ordinance and resolution with the board of elections.

(C) The board of elections shall make the necessary arrangements for the submission of the question to the electors of the municipal corporation, and shall conduct the election in the same manner as any other municipal income tax election. Notice of the election shall be published in a newspaper of general circulation in the municipal corporation once a week for four consecutive weeks, or as provided in section [7.16](#) of the Revised Code, prior to the election, and shall include statements of the rate and municipal corporation and school district purposes of the income tax, the percentage of tax revenue that will be paid to the school district, and the first year the tax will be levied. The ballot shall be in the following form:

"Shall the ordinance providing for a per cent levy on income for (brief description of the municipal corporation and school district purposes of the levy, including a statement of the percentage of tax revenue that will be paid to the school district) be passed? The income tax, if approved, will not be levied on the incomes of individuals who do not reside in (the name of the municipal corporation).

For the income tax

Against the income tax "

Any person who is aggrieved by a decision by the tax administrator and who has filed with the municipal corporation the required returns or other documents pertaining to the municipal income tax obligation at issue in the decision may appeal the decision to the board created pursuant to this section by filing a request with the board. The request shall be in writing, shall state why the decision should be deemed incorrect or unlawful, and shall be filed within thirty days after the tax administrator issues the decision complained of.

718.11 [Operative 1/1/2016] Local board of tax review.

(A)

(1) The legislative authority of each municipal corporation that imposes a tax on income in accordance with this chapter shall maintain a local board of tax review to hear appeals as provided in this section. The legislative authority of any municipal corporation that does not impose a tax on income on June 26, 2003, but that imposes such a tax after that date, shall establish such a board by ordinance not later than one hundred eighty days after the tax takes effect.

(2) The local board of tax review shall consist of three members. Two members shall be appointed by the legislative authority of the municipal corporation, but such appointees may not be employees, elected officials, or contractors with the municipal corporation at any time during their term or in the five years immediately preceding the date of appointment. One member shall be appointed by the top administrative official of the municipal corporation. This member may be an employee of the municipal corporation, but may not be the director of finance or equivalent officer, or the tax administrator or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.

(3) The term for members of the local board of tax review appointed by the legislative authority of the municipal corporation shall be two years. There is no limit on the number of terms that a member may serve if the member is reappointed by the legislative authority. The board member appointed by the top administrative official of the municipal corporation shall serve at the discretion of the administrative official.

(4) Members of the board of tax review appointed by the legislative authority may be removed by the legislative authority by majority vote for malfeasance, misfeasance, or nonfeasance in office. To remove such a member, the legislative authority must give the member a copy of the charges against the member and afford the member an opportunity to be publicly heard in person or by counsel in the member's own defense upon not less than ten days' notice. The decision by the legislative authority on the charges is final and not appealable.

(5) A member of the board who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.

(6) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within sixty days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the board shall impair the power and authority of the remaining members to exercise all the powers of the board.

(7) If a member is temporarily unable to serve on the board due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the board in the member's place. The appointment of such an individual shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.

(B) Whenever a tax administrator issues an assessment regarding an underpayment of municipal income tax or denies a refund claim, the tax administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the assessment or denial, the manner in which the taxpayer may appeal the assessment or denial, and the address to which the appeal should be directed.

(C) Any person who has been issued an assessment may appeal the assessment to the board created pursuant to this section by filing a request with the board. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within

sixty days after the taxpayer receives the assessment.

(D) The local board of tax review shall schedule a hearing to be held within sixty days after receiving an appeal of an assessment under division (C) of this section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and may be represented by an attorney at law, certified public accountant, or other representative. The board may allow a hearing to be continued as jointly agreed to by the parties. In such a case, the hearing must be completed within one hundred twenty days after the first day of the hearing unless the parties agree otherwise.

(E) The board may affirm, reverse, or modify the tax administrator's assessment or any part of that assessment. The board shall issue a final determination on the appeal within ninety days after the board's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within fifteen days after issuing the final determination. The taxpayer or the tax administrator may appeal the board's final determination as provided in section [5717.011](#) of the Revised Code.

(F) The local board of tax review created pursuant to this section shall adopt rules governing its procedures and shall keep a record of its transactions. Such records are not public records available for inspection under section [149.43](#) of the Revised Code. Hearings requested by a taxpayer before a local board of tax review created pursuant to this section are not meetings of a public body subject to section [121.22](#) of the Revised Code.

(D) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the complete return is filed, whichever is later, no interest shall be allowed on the refunded overpayment. For purposes of computing the payment of interest on overpayments, no amount of tax for any taxable year shall be treated as having been paid before the date on which the tax return for that year was due without regard to any extension of time for filing that return. The interest shall be paid at the rate of interest prescribed by section [5703.47](#) of the Revised Code.

Repealed by 130th General Assembly File No. TBD, HB 5, §2, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.12 [Operative 1/1/2016] Limitations.

(A)

(1)

(a) Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the later of:

(i) Three years after the tax was due or the return was filed, whichever is later; or

(ii) One year after the conclusion of the qualifying deferral period, if any.

(b) The time limit described in division (A)(1)(a) of this section may be extended at any time if both the tax administrator and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in division (C) of this section.

(2) As used in this section, "qualifying deferral period" means a period of time beginning and ending as follows:

(a) Beginning on the date a person who is aggrieved by an assessment files with a local board of tax review the request described in section [718.11](#) of the Revised Code. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the local board of tax review with which the aggrieved person filed the request did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.

(b) Ending the later of the sixtieth day after the date on which the final determination of the local board of tax review becomes final or, if any party appeals from the determination of the local board of tax review, the sixtieth day after the date on which the final determination of the local board of tax review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.

(B) Prosecutions for an offense made punishable under a resolution or ordinance imposing an income tax shall be commenced within three years after the commission of the offense, provided that in the case of fraud, failure to file a return, or the omission of twenty-five per cent or more of income required to be reported, prosecutions may be commenced within six years after the commission of the offense.

(C) A claim for a refund of municipal income taxes shall be brought within the time limitation provided in section 718.19 of the Revised Code.

(D) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in division (A)(5) of section 718.27 of the Revised Code.

(E) Within sixty days after the final determination of any federal or state tax liability affecting the taxpayer's municipal tax liability, that taxpayer shall make and file an amended municipal return showing income subject to the municipal income tax based upon such final determination of federal or state tax liability, and pay any additional municipal income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is less than ten dollars.

(F)

(1) Notwithstanding the fact that an appeal is pending, the petitioner may pay all or a portion of the assessment that is the subject of the appeal. The acceptance of a payment by the municipal corporation does not prejudice any claim for refund upon final determination of the appeal.

(2) If upon final determination of the appeal an error in the assessment is corrected by the tax administrator, upon an appeal so filed or pursuant to a final determination of the local board of tax review created under section [718.11](#) of the Revised Code, of the Ohio board of tax appeals, or any court to which the decision of the Ohio board of tax appeals has been appealed, so that the amount due from the party assessed under the corrected assessment is less than the amount paid, there shall be issued to the appellant or to the appellant's assigns or legal representative a refund in the amount of the overpayment as provided by section 718.19 of the Revised Code, with interest on that amount as provided by division (D) of this section.

(G) No civil action to recover municipal income tax or related penalties or interest shall be brought during either of the following time periods:

(1) The period during which a taxpayer has a right to appeal the imposition of that tax or interest or those penalties;

(2) The period during which an appeal related to the imposition of that tax or interest or those penalties is pending.

(A) As used in this section:

(1) "Limited liability company" means a limited liability company formed under Chapter 1705. of the Revised Code or under the laws of another state.

(2) "Pass-through entity" means a partnership, limited liability company, S corporation, or any other class of entity the income or profits from which are given pass-through treatment under the Internal Revenue Code.

(3) "Income from a pass-through entity" means partnership income of partners, membership interests of members of a limited liability company, distributive shares of shareholders of an S corporation, or other distributive or proportionate ownership shares of income from other pass-through entities.

(4) "Owner" means a partner of a partnership, a member of a limited liability company, a shareholder of an S corporation, or other person with an ownership interest in a pass-through entity.

(5) "Owner's proportionate share," with respect to each owner of a pass-through entity, means the ratio of (a) the owner's income from the pass-through entity that is subject to taxation by the municipal corporation, to (b) the total income from that entity of all owners whose income from the entity is subject to taxation by that municipal corporation.

(B) On and after January 1, 2003, any municipal corporation imposing a tax that applies to income from a pass-through entity shall grant a credit to each owner who is domiciled in the municipal corporation for taxes paid to another municipal corporation by a pass-through entity that does not conduct business in the municipal corporation. The amount of the credit shall equal the lesser of the following amounts, subject to division (C) of this section:

(1) The owner's proportionate share of the amount, if any, of tax paid by the pass-through entity to another municipal corporation in this state;

(2) The owner's proportionate share of the amount of tax that would be imposed on the pass-through entity by the municipal corporation in which the taxpayer is domiciled if the pass-through entity conducted business in the municipal corporation.

(C) If a municipal corporation grants a credit for a percentage, less than one hundred per cent, of the amount of income taxes paid on compensation by an individual who resides or is domiciled in the municipal corporation to another municipal corporation, the amount of credit otherwise required by division (B) of this section shall be multiplied by that percentage.

(D) On and after January 1, 2003, any municipal corporation that imposes a tax on income of or from a pass-through entity shall specify by ordinance or rule whether the tax applies to income of the pass-through entity in the hands of the entity or to income from the pass-through entity in the hands of the

owners of the entity. A municipal corporation may specify a different ordinance or rule under this division for each of the classes of pass-through entity enumerated in division (A)(2) of this section.

Before a municipal corporation passes an ordinance allowing such a credit, the municipal corporation and the taxpayer shall enter into an agreement specifying all the conditions of the credit.

Effective Date: 07-26-2000

718.18 [Operative 1/1/2016] Service of assessment.

(A)

(1) Subject to division (B) of this section, a copy of each assessment shall be served upon the person affected thereby either by personal service, by certified mail, or by a delivery service authorized under

section [5703.056](#) of the Revised Code.

(2) With the permission of the person affected by an assessment, the tax administrator may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail. Delivery by such means satisfies the requirements for delivery under this section.

(B)

(1)

(a) If certified mail is returned because of an undeliverable address, a tax administrator shall utilize reasonable means to ascertain a new last known address, including the use of a change of address service offered by the postal service or an authorized delivery service under section [5703.056](#) of the Revised Code. If, after using reasonable means, the tax administrator is unable to ascertain a new last known address, the assessment shall be sent by ordinary mail and considered served. If the ordinary mail is subsequently returned because of an undeliverable address, the assessment remains appealable within sixty days after the assessment's postmark.

(b) Once the tax administrator or other municipal official, or the designee of either, serves an assessment on the person to whom the assessment is directed, the person may protest the ruling of that assessment by filing an appeal with the local board of tax review within sixty days after the receipt of service. The delivery of an assessment of the tax administrator under division (B)(1)(a) of this section is prima facie evidence that delivery is complete and that the assessment is served.

(2) If mailing of an assessment by a tax administrator by certified mail is returned for some cause other than an undeliverable address, the tax administrator shall resend the assessment by ordinary mail. The assessment shall show the date the tax administrator sends the assessment and include the following statement:

"This assessment is deemed to be served on the addressee under applicable law ten days from the date this assessment was mailed by the tax administrator as shown on the assessment, and all periods within which an appeal may be filed apply from and after that date."

Unless the mailing is returned because of an undeliverable address, the mailing of that information is prima facie evidence that delivery of the assessment was completed ten days after the tax administrator sent the assessment by ordinary mail and that the assessment was served.

If the ordinary mail is subsequently returned because of an undeliverable address, the tax administrator shall proceed under division (B)(1)(a) of this section. A person may challenge the presumption of delivery and service under this division in accordance with division (C) of this section.

(C)

(1) A person disputing the presumption of delivery and service under division (B) of this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent was not an address with which the person was associated at the time the tax administrator originally mailed the assessment by certified mail. For the purposes of this section, a person is associated with an address at the time the tax administrator originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a

person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.

(2) If a person elects to appeal an assessment on the basis described in division (C)(1) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within sixty days after the initial contact by the tax administrator or other municipal official, or the designee of either, with the person. Nothing in this division prevents the tax administrator or other official from entering into a compromise with the person if the person does not actually file such an appeal with the local board of tax review.

(D) Nothing in this section prohibits the tax administrator or the tax administrator's designee from delivering an assessment by a tax administrator by personal service.

(E) Collection actions taken upon any assessment being appealed under division (B)(1)(b) of this section shall be stayed upon the pendency of an appeal under this section. If an appeal is filed pursuant to this section on a claim that has been delivered for collection, the collection activities with respect to the assessment shall be stayed.

(F) As used in this section:

(1) "Last known address" means the address the tax administrator has at the time a document is originally sent by certified mail, or any address the tax administrator can ascertain using reasonable means such as the use of a change of address service offered by the postal service or an authorized delivery service under section [5703.056](#) of the Revised Code.

(2) "Undeliverable address" means an address to which the postal service or an authorized delivery service under section [5703.056](#) of the Revised Code is not able to deliver an assessment of the tax administrator, except when the reason for nondelivery is because the addressee fails to acknowledge or accept the assessment.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.19 [Operative 1/1/2016] Requests for refunds.

(A) Upon receipt of a request for a refund, the tax administrator of a municipal corporation, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the municipal corporation:

- (1) Overpayments of more than ten dollars;
- (2) Amounts paid erroneously if the refund requested exceeds ten dollars.

(B)

(1) Except as otherwise provided in this chapter, requests for refund shall be filed with the tax administrator, on the form prescribed by the tax administrator within three years after the tax was due or paid, whichever is later. The tax administrator may require the requestor to file with the request any documentation that substantiates the requestor's claim for a refund.

(2) On filing of the refund request, the tax administrator shall determine the amount of refund due and certify such amount to the appropriate municipal corporation official for payment. Except as provided in

division (B)(3) of this section, the administrator shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.

(3) If a tax administrator denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the tax administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under section [718.11](#) of the Revised Code.

(C) A request for a refund that is received after the last day for filing specified in division (B) of this section shall be considered to have been filed in a timely manner if any of the following situations exist:

(1) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.

(2) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.

(3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.

(D) As used in this section, "withholding tax" has the same meaning as in section 718.27 of the Revised Code.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.23 [Operative 1/1/2016] Verification of accuracy of returns.

(A) A tax administrator, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the tax administrator believes is subject to, the provisions of this chapter for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this chapter. Upon written request by the tax administrator or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the tax administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(B) The records and other documents of any taxpayer, employer, or other person that is subject to, or that a tax administrator believes is subject to, the provisions of this chapter shall be open to the tax administrator's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the tax administrator, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The tax administrator of a municipal corporation may require any person, by notice served on that person, to keep such records as the tax administrator determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by the municipal corporation or for the withholding of such tax.

(C) The tax administrator may examine under oath any person that the tax administrator reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The tax administrator may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the tax administrator compelling attendance at a hearing or examination or the production of books, papers, records, or federal income tax returns under this section shall fail to comply.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.24 [Operative 1/1/2016] Authority of tax administrator.

Nothing in this chapter shall limit the authority of a tax administrator to perform any of the following duties or functions, unless the performance of such duties or functions is expressly limited by a provision of the Revised Code or the charter or ordinances of the municipal corporation:

(A) Exercise all powers whatsoever of an inquisitorial nature as provided by law, including, the right to inspect books, accounts, records, memorandums, and federal and state income tax returns, to examine persons under oath, to issue orders or subpoenas for the production of books, accounts, papers, records, documents, and testimony, to take depositions, to apply to a court for attachment proceedings as for contempt, to approve vouchers for the fees of officers and witnesses, and to administer oaths; provided that the powers referred to in this division of this section shall be exercised by the tax administrator only in connection with the performance of the duties respectively assigned to the tax administrator under a municipal corporation income tax ordinance or resolution adopted in accordance with this chapter;

(B) Appoint agents and prescribe their powers and duties;

(C) Confer and meet with officers of other municipal corporations and states and officers of the United States on any matters pertaining to their respective official duties as provided by law;

(D) Exercise the authority provided by law, including orders from bankruptcy courts, relative to remitting or refunding taxes, including penalties and interest thereon, illegally or erroneously imposed or collected, or for any other reason overpaid, and, in addition, the tax administrator may investigate any claim of overpayment and make a written statement of the tax administrator's findings, and, if the tax administrator finds that there has been an overpayment, approve and issue a refund payable to the taxpayer, the taxpayer's assigns, or legal representative as provided in this chapter;

(E) Exercise the authority provided by law relative to consenting to the compromise and settlement of tax claims;

(F) Exercise the authority provided by law relative to the use of alternative apportionment methods by taxpayers in accordance with section [718.02](#) of the Revised Code;

(G) Make all tax findings, determinations, computations, and orders the tax administrator is by law authorized and required to make and, pursuant to time limitations provided by law, on the tax administrator's own motion, review, redetermine, or correct any tax findings, determinations,

computations, or orders the tax administrator has made, but the tax administrator shall not review, redetermine, or correct any tax finding, determination, computation, or order which the tax administrator has made as to which an appeal has been filed with the local board of tax review or other appropriate tribunal, unless such appeal or application is withdrawn by the appellant or applicant, is dismissed, or is otherwise final;

(H) Destroy any or all returns or other tax documents in the manner authorized by law;

(I) Enter into an agreement with a taxpayer to simplify the withholding obligations described in section [718.03](#) of the Revised Code.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.25 [Operative 1/1/2016] Rounding of amounts.

A person may round to the nearest whole dollar all amounts the person is required to enter on any return, report, voucher, or other document required under this chapter. Any fractional part of a dollar that equals or exceeds fifty cents shall be rounded to the next whole dollar, and any fractional part of a dollar that is less than fifty cents shall be dropped. If a person chooses to round amounts entered on a document, the person shall round all amounts entered on the document.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.26 [Operative 1/1/2016] Identification information.

(A) Nothing in this chapter prohibits a tax administrator from requiring any person filing a tax document with the tax administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the tax administrator. A person required by the tax administrator to provide identifying information that has experienced any change with respect to that information shall notify the tax administrator of the change before, or upon, filing the next tax document requiring the identifying information.

(B) When transmitting or otherwise making use of a tax document that contains a person's social security number, the tax administrator shall take all reasonable measures necessary to ensure that the number is not capable of being viewed by the general public, including, when necessary, masking the number so that it is not readily discernible by the general public. The tax administrator shall not put a person's social security number on the outside of any material mailed to the person.

(C)

(1) If the tax administrator makes a request for identifying information and the tax administrator does not receive valid identifying information within thirty days of making the request, nothing in this chapter prohibits the tax administrator from imposing a penalty upon the person to whom the request was directed pursuant to section 718.27 of the Revised Code, in addition to any applicable penalty described in section 718.99 of the Revised Code.

(2) If a person required by the tax administrator to provide identifying information does not notify the tax administrator of a change with respect to that information as required under division (A) of this section within thirty days after filing the next tax document requiring such identifying information, nothing in this chapter prohibits the tax administrator from imposing a penalty pursuant to section 718.27 of the Revised

Code.

(3) The penalties provided for under divisions (C)(1) and (2) of this section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in section 718.99 of the Revised Code for a violation of section 718.35 of the Revised Code and any other penalties that may be imposed by the tax administrator by law.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

(A) As used in this section:

(1) "Applicable law" means this chapter, the resolutions, ordinances, codes, directives, instructions, and rules adopted by a municipal corporation provided such resolutions, ordinances, codes, directives, instructions, and rules impose or directly or indirectly address the levy, payment, remittance, or filing requirements of a municipal income tax.

(2) "Income tax," "estimated income tax," and "withholding tax" means any income tax, estimated income tax, and withholding tax imposed by a municipal corporation pursuant to applicable law, including at any time before January 1, 2016.

(3) A "return" includes any tax return, report, reconciliation, schedule, and other document required to be filed with a tax administrator or municipal corporation by a taxpayer, employer, any agent of the employer, or any other payer pursuant to applicable law, including at any time before January 1, 2016.

(4) "Federal short-term rate" means the rate of the average market yield on outstanding marketable obligations of the United States with remaining periods to maturity of three years or less, as determined under section 1274 of the Internal Revenue Code, for July of the current year.

(5) "Interest rate as described in division (A) of this section" means the federal short-term rate, rounded to the nearest whole number per cent, plus five per cent. The rate shall apply for the calendar year next following the July of the year in which the federal short-term rate is determined in accordance with division (A)(4) of this section.

(6) "Unpaid estimated income tax" means estimated income tax due but not paid by the date the tax is required to be paid under applicable law.

(7) "Unpaid income tax" means income tax due but not paid by the date the income tax is required to be paid under applicable law.

(8) "Unpaid withholding tax" means withholding tax due but not paid by the date the withholding tax is required to be paid under applicable law.

(9) "Withholding tax" includes amounts an employer, any agent of an employer, or any other payer did not withhold in whole or in part from an employee's qualifying wages, but that, under applicable law, the employer, agent, or other payer is required to withhold from an employee's qualifying wages.

(B)

(1) This section applies to the following:

- (a) Any return required to be filed under applicable law for taxable years beginning on or after January 1, 2016;
- (b) Income tax, estimated income tax, and withholding tax required to be paid or remitted to the municipal corporation on or after January 1, 2016.
- (2) This section does not apply to returns required to be filed or payments required to be made before January 1, 2016, regardless of the filing or payment date. Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall be subject to the ordinances or rules, as adopted before January 1, 2016, of the municipal corporation to which the return is to be filed or the payment is to be made.
- (C) Each municipal corporation levying a tax on income may impose on a taxpayer, employer, any agent of the employer, and any other payer, and must attempt to collect, the interest amounts and penalties prescribed under division (C) of this section when the taxpayer, employer, any agent of the employer, or any other payer for any reason fails, in whole or in part, to make to the municipal corporation timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the municipal corporation any return required to be filed.
- (1) Interest shall be imposed at the rate described in division (A) of this section, per annum, on all unpaid income tax, unpaid estimated income tax, and unpaid withholding tax.
- (2)
- (a) With respect to unpaid income tax and unpaid estimated income tax, a municipal corporation may impose a penalty equal to fifteen per cent of the amount not timely paid.
- (b) With respect to any unpaid withholding tax, a municipal corporation may impose a penalty equal to fifty per cent of the amount not timely paid.
- (3) With respect to returns other than estimated income tax returns, a municipal corporation may impose a penalty of twenty-five dollars for each failure to timely file each return, regardless of the liability shown thereon for each month, or any fraction thereof, during which the return remains unfiled regardless of the liability shown thereon. The penalty shall not exceed one hundred fifty dollars for each failure.
- (D)
- (1) With respect to the income taxes, estimated income taxes, withholding taxes, and returns, no municipal corporation shall impose, seek to collect, or collect any penalty, amount of interest, charges, or additional fees not described in this section.
- (2) With respect to the income taxes, estimated income taxes, withholding taxes, and returns not described in division (A) of this section, nothing in this section requires a municipal corporation to refund or credit any penalty, amount of interest, charges, or additional fees that the municipal corporation has properly imposed or collected before January 1, 2016.
- (E) Nothing in this section limits the authority of a municipal corporation to abate or partially abate penalties or interest imposed under this section when the tax administrator determines, in the tax administrator's sole discretion, that such abatement is appropriate.
- (F) By the thirty-first day of October of each year the municipal corporation shall publish the rate described in division (A) of this section applicable to the next succeeding calendar year.

(G) The municipal corporation may impose on the taxpayer, employer, any agent of the employer, or any other payer the municipal corporation's post-judgment collection costs and fees, including attorney's fees.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.28 [Operative 1/1/2016] Administration of claims.

(A) As used in this section, "claim" means a claim for an amount payable to a municipal corporation that arises pursuant to the municipal income tax imposed in accordance with this chapter.

(B) Nothing in this chapter prohibits a tax administrator from doing either of the following if such action is in the best interests of the municipal corporation:

(1) Compromise a claim;

(2) Extend for a reasonable period the time for payment of a claim by agreeing to accept monthly or other periodic payments.

(C) The tax administrator may consider the following standards when ascertaining with respect to a claim whether a compromise or payment-over-time agreement is in the best interests of the municipal corporation:

(1) There exists a doubt as to whether the claim can be collected.

(2) There exists a substantial probability that, upon payment of the claim and submission of a timely request for refund with respect to that payment, the tax administrator would refund an amount that was illegally or erroneously paid.

(3) There exists an economic hardship such that a compromise or agreement would facilitate effective tax administration.

(4) There exists a joint liability among spouses, one of whom is an innocent spouse, provided that any relief under this standard shall only affect the claim as to the innocent spouse. A spouse granted relief under section 6015 of the Internal Revenue Code with regard to any income item is rebuttably presumed to be an innocent spouse with regard to that income item to the extent that income item is included in or otherwise affects the computation of a municipal income tax or any penalty or interest on that tax.

(5) Any other reasonable standard that the tax administrator establishes.

(D) The tax administrator's rejection of a compromise or payment-over-time agreement proposed by a person with respect to a claim shall not be appealable.

(E) A compromise or payment-over-time agreement with respect to a claim shall be binding upon and shall inure to the benefit of only the parties to the compromise or agreement, and shall not extinguish or otherwise affect the liability of any other person.

(F) A compromise or payment-over-time agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.30 [Operative 1/1/2016] Adoption of rules.

Nothing in this chapter prohibits the legislative authority of a municipal corporation, or a tax administrator pursuant to authority granted to the administrator by resolution or ordinance, to adopt rules to administer an income tax imposed by the municipal corporation in accordance with this chapter. Such rules shall not conflict with or be inconsistent with any provision of this chapter. All rules adopted under this section shall be published and posted on the internet as described in section [718.07](#) of the Revised Code.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.31 [Operative 1/1/2016] Payment of persons hired to inspect books.

No person hired or retained by a tax administrator to examine or inspect a taxpayer's books shall be paid on a contingency basis.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.35 [Operative 1/1/2016] Fraud.

No person shall knowingly make, present, aid, or assist in the preparation or presentation of a false or fraudulent report, return, schedule, statement, claim, or document authorized or required by municipal corporation ordinance or state law to be filed with a tax administrator, or knowingly procure, counsel, or advise the preparation or presentation of such report, return, schedule, statement, claim, or document, or knowingly change, alter, or amend, or knowingly procure, counsel or advise such change, alteration, or amendment of the records upon which such report, return, schedule, statement, claim, or document is based with intent to defraud the municipal corporation or a tax administrator.

Added by 130th General Assembly File No. TBD, HB 5, §1, eff. 3/23/2015, applicable to municipal taxable years beginning on or after 1/1/2016.

718.36 [Operative 1/1/2016] Audits.

(A) At or before the commencement of an audit, the tax administrator shall provide to the taxpayer a written description of the roles of the tax administrator and of the taxpayer during an audit and a statement of the taxpayer's rights, including any right to obtain a refund of an overpayment of a tax. At or before the commencement of an audit, the tax administrator shall inform the taxpayer when the audit is considered to have commenced.

(B) Except in cases involving suspected criminal activity, the tax administrator shall conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.

(C) At all stages of an audit by the tax administrator, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The tax administrator shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the tax administrator. If a taxpayer has not submitted such a

form, the tax administrator may accept other evidence, as the tax administrator considers appropriate, that a person is the authorized representative of a taxpayer.

A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer's attorney, accountant, bookkeeper, or other tax practitioner. This division does not authorize the practice of law by a person who is not an attorney.

(D) A taxpayer may record, electronically or otherwise, the audit examination.

(E) The failure of the tax administrator to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case.

(F) If the tax administrator fails to substantially comply with the provisions of this section, the tax administrator, upon application by the taxpayer, shall excuse the taxpayer from penalties and interest arising from the audit.

(D) Whenever it appears to the court that a taxpayer's conduct in the proceedings brought under division

(A) of this section is frivolous, the court may impose a penalty against the taxpayer in an amount not to exceed ten thousand dollars which shall be paid to the general fund of the municipal corporation.

(E) Division (A) of this section does not apply to opinions of the tax administrator or other information functions of the tax administrator.

(2) The request relates to a tax imposed by the municipal corporation in accordance with this chapter.

(3) The tax administrator's response is signed by the tax administrator and designated as an "opinion of the tax administrator."

(C) An opinion of the tax administrator shall remain in effect and shall protect the taxpayer for whom the opinion was prepared and who reasonably relies on it from liability for any taxes, penalty, or interest otherwise chargeable on the activity or transaction specifically held by the tax administrator's opinion to be taxable in a particular manner or not to be subject to taxation for any taxable years that may be specified in the opinion, or until the earliest of the following dates:

(1) The effective date of a written revocation by the tax administrator sent to the taxpayer by certified mail, return receipt requested. The effective date of the revocation shall be the taxpayer's date of receipt or one year after the issuance of the opinion, whichever is later;

- (5) The effective date of any change in the taxpayer's material facts or circumstances;
- (6) The effective date of the expiration of the opinion, if specified in the opinion.
- (D) A taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.
- (E) If a tax administrator provides written advice under this section, the opinion shall include a statement that:
- (1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in division (C) of this section;
- (2) It is the duty of the taxpayer to be aware of such changes.
- (F) A tax administrator may refuse to offer an opinion on any request received under this section.
- (G) This section binds a tax administrator only with respect to opinions of the tax administrator issued on or after January 1, 2016.
- (H) An opinion of a tax administrator binds that tax administrator only with respect to the taxpayer for whom the opinion was prepared and does not bind the tax administrator of any other municipal corporation.
- (I) A tax administrator shall make available the text of all opinions issued under this section, except those opinions prepared for a taxpayer who has requested that the text of the opinion remain confidential. In no event shall the text of an opinion be made available until the tax administrator has removed all information that identifies the taxpayer and any other parties involved in the activity or transaction.

Except as set forth in division (C)(2) of this section, the request shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return.
