BY: Committee-of-the-Whole

AN ORDINANCE AMENDING CHAPTER 861 OF THE CITY OF BRUNSWICK CODIFIED ORDINANCES

WHEREAS: THE COUNCIL OF THE CITY OF BRUNSWICK HEREBY ORDAINS:

SECTION 1: That Chapter 861 of the Codified Ordinances is hereby amended to read as follows:

861.01 <u>Findings.</u>

The Council of the City of Brunswick finds, determines and declares that:

- (A) Distribution of <u>for-profit commercial</u> advertisements, including non-subscribed newspapers and sample merchandise, upon private property contributes to litter and visual blight on public and private property, decreases property values, interferes with the storm water system and allows use of private property for purposes neither intended nor welcomed by the owner.
- (B) The City has a legitimate, if not compelling, governmental interest in allowing individual property owners to determine whether their private property is used as a container for <u>for-profit commercial</u> advertisements.

861.02 Purpose.

The Council of the City of Brunswick hereby declares the purpose of regulation of distribution of <u>for-profit commercial</u> advertisements, including non-subscribed newspapers and sample merchandise, on private property, is to decrease litter and visual blight upon public and private property, maintain property values, decrease intereference with the storm water system and protect private property rights.

<u>Distribution of Advertisements on Private Property; Permit Fee.</u>

No person shall place a <u>for-profit commercial</u> advertisement, non-subscribed newspaper or sample merchandise in or upon private property within the City without having obtained a permit from the City Manager, which permit shall state the specific item(s) to be so distributed. The City Manager shall grant such a permit to responsible persons or organizations upon payment of an annual fee of fifty dollars (\$50.00) and the filing of an address and telephone number where the permit holder may be contacted by the City, property owners or lessees. Any

person or organization which has obtained a permit is also granted permission to employ other individuals, businesses, or independent contractors to distribute such items without a need to obtain multiple permits. The permit shall be valid for one (1) year from the date of issuance and may be renewed annually. Upon the written or oral request of a property owner or lessee to cease the placement of such items upon a property owned or leased by such person, such permit holder shall forthwith comply with such request. It shall be a condition of the permit that any items distributed contain the name, address and telephone number of the responsible person to whom requests for discontinuance of distribution may be communicated. Distribution of such items without such contact information shall constitute a violation of this section.

861.04 Placement of Advertisements.

All <u>for-profit commercial</u> advertisements, non-subscribed newspapers and sample merchandise distributed on private property shall be placed in a receptacle fit for receiving such items whereby such items will not blown therefrom.

861.05 Bulk.

It shall be a further condition of the permit that the holder thereof shall collect and remove distributed items which have been discarded in bulk, promptly upon notification thereof.

Additionally, the City Manager shall revoke the permit from any holder who violates any provision of this chapter five (5) or more times in a six (6) month period.
